Kentucky Christian University practices equal opportunity policies in both admissions and employment and does not discriminate on the basis of race, national or ethnic origin, sex, color, age, or handicap (consistent with Section 702 of Title VII of the 1964 Civil Rights Act which deals with exemptions for religious corporations with respect to employment of individuals with specific religious convictions).
Mission Statement

The mission of Kentucky Christian University is to engage students in a transformative educational experience that equips them as effective Christian professionals providing servant leadership for the church and society.

Expanded Statement Of Purpose

Therefore, the Bible which is regarded as the revealed Word of God and the final authority in all matters pertaining to life and faith is exalted as the foundation of every curricular program. The pursuit of scholarship at Kentucky Christian University is distinguished by the conviction that to be truly educated one must have the capacity to make responsible moral decisions, be committed to serving the needs of others, and be recognized as a skilled contributor to one's profession. Such a distinctiveness requires that students be exposed to the moral and spiritual principles taught in the Bible and that they are to think ethically as well as logically, analytically, and critically.

The Board of Trustees, administration, faculty, and staff of the university are committed to the maintenance of an academic community in which Christian character and spiritual values accompany the tasks and opportunities of scholarship. Persuaded that education is a lifetime pursuit, the university provides a foundation of knowledge, skills, and values which enables its students to:

1. Enter meaningful and fulfilling professions within the leadership ministry of the church and/or within the global community, resulting in the opportunity to fulfill the mandates of the Great Commission and to work as a means of self support.

2. Influence the religious, social, educational and business communities with the biblical principles and moral character exemplified in the life and teachings of Jesus and His apostles.

3. Pursue and succeed in the attainment of personal and professional goals, including the completion of advanced academic degrees and/or promotion within their chosen field of endeavor.

4. Actively be involved in their communities as citizens who are concerned with improving the quality of life for all people groups.

5. Pursue healthy lifestyles and take appropriate action to promote wellness within their families and throughout their communities.
6. Build a legacy for the next generation by nurturing those institutions (e.g. the home/family, the church, the Christian college) which are critical to the establishment and maintenance of Biblical values, including moral integrity, ethical principle, and human dignity.

7. Develop an awareness of the interconnectedness of nations and peoples and seek out opportunities to promote peace, goodwill and the enrichment of life within the global village.

Purpose Of The Graduate School Program

The Graduate School program exists to fulfill the Great Commission by enabling students to enter meaningful and fulfilling professions within the leadership ministry of the Church and/or within the global community and by helping them to develop an integration of faith and learning, and demonstrate the application of biblical precept to professional practice.

Goals Of The Graduate School Program

The Graduate School program seeks to impart to each student:

**SKILL FOR MINISTRY:** The minister is called upon to serve in many capacities and to master many pastoral skills. Therefore, it is the goal of the Graduate School to enable the graduate to:

- Be able to plan new approaches to ministry/teaching in the church and academic setting according to the student’s area of emphasis.
- Master communication skills in writing for a church or educational setting.
- Use modern research tools in preparing meaningful preaching, teaching, and written materials.

**KNOWLEDGE FOR PREACHING AND TEACHING:** To communicate the Word of God, one must first know it. In addition, there are ideas and facts related to the study of the Bible that are necessary for one to know in order to present effectively God’s Word to the world. Therefore, it is the goal of the Graduate School to:

- Increase and strengthen the student’s base of knowledge of Biblical Studies, Christian Theology, and Christian Ethics

**CRITICAL THINKING FOR LEADERSHIP:** Wisdom is the foundation for both skill and knowledge. Good leaders understand how to use skill and knowledge. Skill without wisdom can lead to pride. Knowledge without wisdom can lead to dogmatism and narrowness. Therefore, it is the goal of the Graduate School to:

- Broaden the perspective and push out the intellectual horizon of every student
- Encourage the student to reflect upon his/her values and beliefs
- Increase the student’s awareness of the differing cultural values of diverse people groups
Religious Affiliation

Kentucky Christian University is a private university with a Board of Trustees from a fellowship of independent congregations known as Churches of Christ and Christian Churches. Because these independent congregations claim no creed or statement of faith except for the Scriptures, and because no denominational headquarters establishes a doctrinal position for the University, the Board of Trustees has resolved that the university will abide only by a general statement of belief based on those precepts of Scripture which are clearly taught and universally embraced by these independent congregations. These teachings include:

THAT GOD is not only the omnipotent, omniscient and omnipresent Creator of the universe, but also the loving Father, Provider of all life, and righteous Judge.

THAT THE BIBLE is God’s divinely inspired revelation to humankind.

THAT JESUS is the Christ, the Son of God, who came to earth in the fullness of time, as Savior and as Messiah. This same Jesus is recognized as the only begotten Son of God, born of the virgin Mary, crucified on the Cross after a sinless life on earth, raised bodily as Lord from the tomb, ascended into heaven as King of Kings, and coming again to reclaim those who are His own.

THAT THE CHURCH is the divine institution which God has provided for the preaching of the Gospel and the salvation of the world. This Church, the Body of Christ, has divinely given ordinances, which are Christian baptism, and the Lord’s Supper.

The founders of the University as well as the current Board of Trustees and administrative leadership were and are keenly aware of the many issues which have divided and continue to divide Christian churches. As a University, we believe it is ill advised to contribute to the division and disunity, by aligning ourselves, on the basis of opinion, with any party or sect. Rather, in the spirit of the first century church and many early Christian reformers, we choose to be non-sectarian.

It is required that full-time faculty members adhere to these teachings and principles and seek to inculcate them into the lives of the students whom they may influence. Furthermore, each student is expected to attain the goals of Christian character and conduct which are implied in these teachings.

Heritage

Kentucky Christian University was established in Grayson, Kentucky, on December 1, 1919, as “Christian Normal Institute.” The cofounders were J. W. Lusby, an outstanding educator, Church leader, teacher, and journalist of eastern Kentucky; and J. O. Snodgrass, a minister of the Gospel from Iowa. Associated with them was R. B. Neal, an evangelist of eastern Kentucky. In her earlier days, Christian Normal Institute included both high school and junior college programs, as well as emphasizing the preparation of public school teachers, as indicated in the word “Normal.” This area of education was phased out during the early 1920’s, at which time the education of young people for Christian ministries became the central purpose. The name was changed to “Kentucky Christian College” in 1944.
In September 2004, the institution changed its name from Kentucky Christian College to “Kentucky Christian University.” This name change represented a profound rebirth for the 85-year-old institution. The move to university status brought with it a new seal, a new website, new signs, and many other surface changes. However, these changes are only significant because they represent the many new and exciting opportunities the University has to advance the Lord's Kingdom through educational ministry. While the school’s name has changed, Kentucky Christian University remains unwaveringly committed to its mission of educating students for Christian leadership and service throughout the world.

Through the years, under the leadership of Dr. J. W. Lusby (1919-1937), and his successors in the presidency, Dr. J. Lowell Lusby (1937-1977), Dr. L. Palmer Young (1977-1987), Dr. Keith P. Keeran (1987-2009), and Dr. Jeffrey K. Metcalf (2009-Present), Kentucky Christian University has educated some of the most outstanding Christian leaders, both in the church and in other professions throughout the world.

**Campus And Facilities**

Kentucky Christian University is located in Grayson, Kentucky, the county seat of Carter County, in the Appalachian foothills of lovely eastern Kentucky. The campus is at the northern boundary of Grayson, just off Interstate 64, which links the Bluegrass area of Kentucky with the industrial heart of West Virginia. The campus is approximately twenty-five miles from the Ohio River to the north and an equal distance from the West Virginia state line to the east. Ashland, Kentucky and Huntington, West Virginia are approximately a half-hour’s drive from the Grayson campus. The campus covers approximately 121 acres and is valued at nearly twenty-two million dollars.

The academic facilities include the Wayne B. Smith Center for Christian Leadership (seen at left), Lusby Center, the Nash Chapel and Fine Arts Center, and the Yancey School of Nursing Building. The Ruth Administration Building houses many administrative offices. The James C. McKenzie Student Life Center opened in December, 1996. These fine facilities are a result of a major development program that began in the early 1970’s.

**Accreditation And Recognition**

Kentucky Christian University is incorporated as a non-profit educational institution by the Commonwealth of Kentucky.

Kentucky Christian University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award Master’s and Bachelor's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097 or call 404-679-4500 for questions about the accreditation of Kentucky Christian University.

Kentucky Christian University is a member of the Council on Higher Education Accreditation (CHEA). The Council provides evaluation and recognition for regional and specialized accrediting agencies in the United States.

Kentucky Christian University holds membership in the Association of Independent Kentucky Colleges and Universities (AIKCU).

Kentucky Christian University holds membership in the Appalachian College Association (ACA).

Kentucky Christian University is a member of the Council for Christian Colleges and Universities (CCCU), a Washington, D.C.-based association of colleges and universities rooted in the arts and sciences. CCCU is North America’s primary organization devoted specifically to serving and strengthening Christ-centered institutions. The Council's main functions are to promote cooperation and interaction among colleges, provide opportunities for personal and professional growth for administrators, faculty and students, monitor government and legal issues, and promote these institutions to the public. For information concerning additional educational opportunities available through CCCU, contact the Office of Academic Affairs.
Alumni Association

Membership in the uKnight Alumni Association of Kentucky Christian University is available to all graduates and former students, (minimum of 24 credit hours) including those of Christian Normal Institute, as the University was known prior to 1944, and Kentucky Christian College, as the University was known prior to 2004, and to members of the University faculty, administration, and Board of Trustees.

The purpose of the Alumni Association is to promote the cause of Christ through a closer fellowship among the alumni of Kentucky Christian University, to provide a means through which an alumnus may share with other alumni in activities for the benefit of the university, and to make a continuing witness to all the world for the cause of Christ. This is fostered through Homecoming, alumni reunions, and special alumni days. The Association also works to encourage continued interest in and support of the University through giving and prayer.

Programs and activities of the Alumni Association are directed through the Director of Alumni Services, who can be reached at alumni@kcu.edu.

Admissions Information

The KCU Graduate School provides opportunity for advanced study to qualified and motivated students who have the determination and personal vision to become effective and dedicated servant leaders.

Admissions Decisions

In examining the credentials of applicants, admissions personnel consider the applicant’s experience, commitment, and character, as well as academic ability demonstrated in the applicant’s undergraduate and graduate transfer records. The Graduate Record Examinations (GRE) may be required for some programs if the applicant’s undergraduate grade point average is lower than the Graduate School’s 2.50 requirement. To receive more information on the Graduate Record Examinations, write to GRE, P.O. Box 6000, Princeton, NJ 08541-6000 or call 609-771-7670. The code number for Kentucky Christian University is 1377.

Admissions Deadlines

Applicants are accepted on a rolling admissions basis which means that the applications are considered for fall, spring, and summer course start dates.

Graduate Admissions Process

2. Official transcripts in English, listing all undergraduate and graduate work, must be submitted from regionally accredited institutions, or institutions which are members of the Council on Higher Education Accreditation (CHEA). Transcripts must indicate the completion of prerequisite bachelor’s degree and list appropriate leveling work for graduate study.

3. Applicants need one of the following for regular admission into the masters programs:
   
   A. A cumulative grade point average (G.P.A.) of 2.75 (on a 4-point scale) in the undergraduate major and/or a G.P.A. of 2.5 for the overall undergraduate program.
   
   B. If the applicant does not meet one of the grade point averages listed above, then a Graduate Record Exam Score (GRE) or a Miller Analogies Test (MAT) Score in the 50th percentile (verbal) will satisfy the criteria.

4. Three letters of reference including one from an individual who has been directly involved in supervising the applicant’s professional experience. (Reference forms can be found in the back of this catalog.)
5. Those interested in the Master of Arts in Christian Leadership must have a foundation in a Biblical studies or ministry area. Students without Bible or ministry coursework at the undergraduate level will be required to take six additional hours of Bible/theology.

6. Applicants for the Master of Arts in Biblical Studies must demonstrate through transcript(s) or competency testing the completion of one year of Greek, six hours of Old Testament, and six hours of New Testament.

7. An interview with the Graduate School Dean may be required.

8. **All international applicants must be able to read, write, speak, and understand the English language with a high degree of proficiency in order to successfully complete graduate level work. Much of an applicant’s success will depend on fluency in English.** Thus, international applicants must submit a minimum TOEFL (Test of English as a Foreign Language) score of 550 paper-based or 213 computer-based, unless the primary language of the applicant’s home country is English or the applicant has matriculated from schools whose primary language of instruction is English. Official score reports must be sent directly to KCU from the Educational Testing Service (ETS). Only scores from tests completed within the two years prior to the date of application will be accepted. To take the TOEFL, the student must obtain a specially prepared “Bulletin of Information” from the office for the country or area. Copies of the “Bulletin” are usually available at United States educational commissions and foundations, United States Information Services (USIS) offices, bi-national centers, and private organizations, such as the Institute of International Education (IIE). The students who are unable to obtain a “Bulletin” locally should request one well in advance from:

   TOEFL
   Educational Testing Service
   P.O. Box 6155
   Princeton, NJ 08541-6155
   Phone: 609-771-7100
   Fax: 609-771-7500
   E-mail: toefl@cts.org
   Website: http://www.toefl.org

   To request an exemption from taking the TOEFL, please submit an appeal for the exemption with your application. Please note that an applicant must have the financial resources to take the required TOEFL exam. Inability to pay for the exam is not a valid reason for exemption.

9. **International Applicants:** To receive unconditional admission, the quality of post-secondary studies must meet the standards for admission to the Graduate School in the student’s home country. Applicants who have completed degrees or studies at institutions that do not have accreditation in the student’s home country and students who do not meet the standards for admission to graduate programs in their homeland may be admitted on a provisional basis, dependent on the decision of the Graduate School Council.

10. A student who is admitted on a provisional basis must complete nine graduate hours with a G.P.A. of 3.0 or above at KCU in order to achieve full acceptance into the graduate program. If the student cannot achieve a G.P.A. of 3.0 or above in the first twelve graduate hours completed at KCU, then he or she will be dropped from the graduate program.
Transfer Policy

1. New students must request a transcript analysis by the Dean of the Graduate School in order to have transfer of graduate credits considered. The Dean of the Graduate School and/or the Graduate School Council must approve all requests for transfer of graduate credit.

2. Graduate credit will not be accepted for transfer until the student has completed a minimum of nine graduate hours with a cumulative grade point average (G.P.A.) of 3.0 or higher at Kentucky Christian University.

3. Students may transfer up to nine (9) hours of graduate credit into a masters program if the graduate work was completed at regionally accredited colleges and universities and consisted of courses in which they earned a grade of 3.0 (on a 4-point scale) or better. Coursework accepted for credit toward a graduate degree must be relevant to the degree under consideration. It must also reflect content and instruction resulting in student competencies equivalent to those required of students enrolled in similar courses at KCU.

4. Requests by students seeking consideration of graduate credits earned at an institution or in a program which was not regionally accredited will be evaluated by the Dean of the Graduate School, Registrar, and the Graduate School Council using the following guidelines:
   A. How have other regionally accredited institutions evaluated this work?
   B. An evaluation of all of the work completed in the previous program on a course-by-course basis, including a review of the syllabus for each course, the requirements to complete each course, and the academic credentials of faculty teaching each course. This information must be submitted by the registrar of the institution at which the coursework was completed along with appropriate transcripts.
   C. Coursework accepted for credit toward a graduate degree must be relevant to the degree under consideration. It must also reflect content and instruction resulting in student competencies equivalent to those required of students enrolled in similar courses at KCU.
   D. Students must have earned a 3.0 (on a 4-point scale) or higher in each course being considered for transfer.
   E. Faculty teaching in these programs must have had the appropriate terminal degree.
   F. Transfer credit will be entered on the graduate transcript after the student has completed a minimum of nine graduate hours with a G.P.A. of 3.0 or higher.

Admissions Classifications

Provisional Admissions - Academic

If the applicant possesses the stated qualifications and recommendations and meets all the requirements with the exception of Graduate Admissions Criterion #3, the student may be considered for provisional admission to the Graduate School program and may register for a maximum number of nine credits. Provisional admission is not automatic. Students are evaluated on an individual basis.

Provisional Admission - Special Circumstances

Requirement for Regular Admission: Applicants must be graduates of regionally accredited institutions or institutions which are members of the Council on Higher Education Accreditation (CHEA) to be considered for regular admission (See “Admissions Criteria,” item #2, on page 6 of this catalog).

Process for Determining Equivalency: Applicants from an institution that is not regionally accredited may be granted provisional acceptance provided they meet all of the other stated admission requirements. Final determination of admissibility is based on the following steps of approval:

1. The Committee on Admissions reviews the undergraduate curricula at the institution from which the student received the undergraduate degree in order to be satisfied that the program is relevant to KCU’s graduate offerings.
2. Transcripts and, if necessary, a selection of syllabi are evaluated by the Committee on Admissions to determine if the quality and extent of the program in which the student completed the degree are appropriate preparation for KCU’s graduate level requirements.

3. Credentials of faculty teaching the coursework in the student’s undergraduate program may be reviewed to determine whether instructors have the appropriate academic degrees.

4. The Committee on Admissions may require up to an additional 21 hours in undergraduate or graduate work. Each student must have no fewer than 15 hours in Liberal Arts (including at least one class each in history, science, composition, mathematics, and literature) and six hours in Biblical/Theological/Religious Studies taught by an approved instructor.

5. Once the student begins graduate classes, he/she will be on provisional status not longer than two semesters and must earn a Grade Point Average of 3.0 or better.

Length of Provisional Status

Applicants matriculating from unaccredited institutions who meet all other admission requirements will be admitted on “Provisional Status” for a period not to exceed one year. A student may not enroll for more than nine graduate credit hours while on “Provisional Status.” While on “Provisional Status,” the student must successfully complete all graduate courses attempted.

Provisional Admission - Incomplete Application

Provisional admission will only be granted if a person is missing reference forms. Graduating students must submit an official transcript before provisional admission will be granted. Provisionally admitted students will be allowed to take a total of three (3) credit hours (three modules).

Nonmatriculant Student Status

Individuals who have an undergraduate degree, or are seniors and within one academic year of completing an undergraduate degree may apply for admission as a nonmatriculant student. Such students will be classified as graduate nonmatriculant students. Permission to register as a nonmatriculant student is granted by the Dean of the Graduate School and is conditional on available space. Undergraduate seniors who qualify to become graduate nonmatriculant students may take an undergraduate level course for dual credit. A greater course workload would result and the student would gain both undergraduate credit and graduate level credit for the course. Approval of the instructor is required.

Upon completion of nine (9) credit hours, the nonmatriculant student must fulfill the application process for acceptance into a degree program to continue graduate studies. If a nonmatriculant student is admitted to a graduate program, the credits earned in a course as a nonmatriculant graduate student may be used to meet degree requirements. In no case may more than nine (9) credit hours taken before admission to a program be used toward degree requirements.

Audit Status

Audit is the privilege to attend a course for enrichment without receiving formal academic credit. A student will be accepted for audit status upon approval of the program chair and the instructor. A limited number of persons are permitted to take a course for audit if classroom space permits. A student is granted one hour of audit credit for each ten hours of class attended. Thus, one three-credit graduate class would be worth four audit credits. Audit credits are recorded on a transcript. A student taking courses for audit credit should not expect individual attention or personal evaluation from the instructor. Withdrawal from auditing a course requires the normal withdrawal process.

Students interested in audit status must complete the application form but are not required to complete the other admission forms. The audit fee is one-half of the module tuition rate.
Admissions Procedures

Visits to Campus

Visits to campus are highly recommended. Prospective students are invited to visit the University at any time. Prior arrangement is encouraged and may be made by calling (606) 474-3284 or writing the Admissions Office. A visit allows prospective students to meet the graduate academic area directors and tour the campus.

General Application Process

1. An application should be submitted in accordance with the instructions printed on the application form. A non-refundable application fee of $35.00 should accompany the form.

2. The three reference forms should be distributed to the appropriate people for completion. The reference forms should be sent directly to the Admissions Office by the person completing the form. If the applicant is self-employed, he or she may substitute a second personal reference for the employer reference. Pastors should have a church board member complete the pastoral reference. Acknowledgment cards and/or phone calls may be made after receiving references as a check on their validity.

3. Using the form provided in the application materials, the applicant must submit official transcripts from the institutions from which he or she received an undergraduate and/or graduate degree. The transcript must provide degree information, including date of graduation and degree earned. Official transcripts are those sent directly from the issuing institution to the Admissions Office of Kentucky Christian University.

4. A self-reflective statement of 1000 words relating the applicant’s personal goals to the program requirements.

5. Upon KCU’s receipt of the application, the student will be sent a letter of acknowledgment, which will also indicate what is still needed to complete the application file. When a delay in admission decision is experienced, it is often because all required information has not been received by the Admissions Office or the application form has not been fully completed.

6. The applicant is notified, in writing, of the admission decision as soon as the application file is complete and has been reviewed by the admission committee. Additional forms and information are also sent at this time.

Credentials

All records submitted by the applicant become the property of the University and are kept as part of the permanent record of the student. Copies of these credentials are confidential and will not be released to any outside person or agency without written permission. If students require duplicate records for any reason, they should be obtained from the original source. In accordance with the Family Education Rights and Privacy Act of 1974, students have access to confidential information pertaining to them. In order to allow complete openness for the individuals providing personal references, the student may sign a waiver foregoing this privilege in respect to these forms.

Financial Information

Kentucky Christian University is supported by the giving of Christian people who contribute through congregations (by way of the Church budget, missions or faith-promise budget, Bible School budget and classes, or other congregational organizations), as well as by individual gifts. These contributions, sent directly to the University, supplement the payments which are made by students for tuition and fees (room and board for undergraduate study).

Congregations and individuals provide a large portion of the funds necessary for general operating expenses. “Living endowments” are needed for each student enrolled in order to meet the various expenses of operation. The University does not receive direct support from local, state, or federal government and must rely upon those who love the Lord for this provision.

Wills making provision for Kentucky Christian University, either through general or specific bequests, provide for new buildings or other needed campus facilities. Also, donors remember the University with scholarship funds.

This will be sent to the applicant once an application is received. The applicant must have the monies needed or have financial sponsor(s) who will agree to provide for all expenses during their entire stay.

The amounts below represent the minimum estimated expenses for one year at Kentucky Christian University. The budget does not allow for luxuries, and the applicant will want to have more money available, if possible. The applicant must be able to prove that he or she can support these minimum annual expenses to be eligible for a Form I-20.
**KCU General Expenses (Per Year):**

- **Tuition:** $5,580
  - ($310 per credit hour; a total of six classes or eighteen graduate credits)
- **Books:** $1,500
- **Thesis Fee:** $650

**U.S. Expenses:**

- **Personal Living Expenses:** $8,000

**University Withdrawal Refund Policy**

- Students who withdraw from the University are entitled to a proportionate tuition refund on their bill as listed below, provided they notify the Office of Admissions in writing of their intention to withdraw. A personal interview with one of the area directors is also recommended before a withdrawal becomes complete and final. If a withdrawal then follows, the official date of withdrawal shall be that on which the Registrar receives the completed withdrawal form. Merely ceasing from class attendance or giving an oral statement of intention does not constitute a basis for official withdrawal. No refund is made until withdrawal forms are properly signed and submitted to the Registrar’s Office.
Unofficial withdrawal from all classes will result in refund calculations based on the determination of the student’s last date of class attendance. An administrative fee not to exceed $100 or 10% of institutional charges, whichever is less, will be assessed to students who withdraw from all classes.

Refunds for institutional charges include tuition, class-related fees, and room and board if applicable. Any other charges posted to a student’s account are non-refundable.

Financial Aid

Graduate Assistantships, Scholarships, Discounts/Application Procedures and Deadlines

Applicants may be eligible for academic scholarships and graduate assistantships. Students applying for academic scholarships and graduate assistantships must complete the Scholarship Application form. Request for scholarship assistance is due on June 1 of each year. For more information, contact the Office of Admissions at (606) 474-3284 or gradstudies@kcu.edu.

Applicants may be eligible for needs-based scholarships. In order to determine eligibility, the student must complete and submit the Free Application for Federal Student Aid (FAFSA) form. The form may be obtained from the Office of Admissions, the KCU Financial Aid Office, local libraries, or on the Internet at www.fafsa.ed.gov. Information from FAFSA requires 4-6 weeks to process.

The role of graduate assistants at KCU does not involve direct responsibility for teaching entire courses. **Student Life**

**Student Services Information**

The Graduate School is committed to providing quality service to students through the continual evaluation of its policies, procedures, and programs. The focus of the Graduate School is to assist students in reaching their goals. That commitment and focus can be seen through the Graduate School’s approach to graduate admissions and students services. The Graduate School seeks to build an on-going relationship with each student by providing a primary contact person for students to work with throughout their program. Each applicant is assigned to an advisor based on their academic program.

**Students**

KCU graduate students come from different parts of the United States and the world, creating a culturally diverse mix of students. Students also come from different employment backgrounds. Teachers, church leaders, administrators, ministers, missionaries, scientists, farmers, counselors, and others bring their unique skills and experiences to the classroom. This diversity makes for rich discussion and learning in all classes.

**Students With Disabilities**

Students with documented disabilities are encouraged to visit the campus and talk to the Graduate School representatives in order to discuss individual problems or needs. In accordance with the American Disabilities Act, all faculty and staff members will accommodate students with special needs who are otherwise qualified.

The facilities of Kentucky Christian University conform to current state regulations for existing buildings for people with disabilities.

**The Graduate Community**

The Graduate School of Kentucky Christian University exists to assist in the formation of Christian leaders who embody the intersection of the three dimensions of the Christian life: the upward, the inward, and the outward.

The upward dimension focuses on one’s relationship with God and demonstrates an understanding of education as worship. Recalling that Christians are challenged to worship God with their minds, the Graduate School fosters an environment where learning is a sacred endeavor, where questions and answers are offered in recognition of God’s presence, and where the ultimate goal of learning is to draw faculty and students into a closer relationship with the Source of all knowledge.

The inward dimension focuses on one’s relationship with self and demonstrates an understanding of education as personal development. Graduate students will be encouraged to broaden their minds and sharpen their gifts. They will learn with others who deliberately engage the new and critically examine the old, so that each student can be a better steward of his or her individual gifts.

The outward dimension focuses on one’s relationship with the Church and the world, and demonstrates an understanding of education as equipping for service. The Graduate School experience will equip students to serve Christ’s Church more effectively, and will inform and direct Christian mission throughout the world.
Through membership in the broader community of Kentucky Christian University, graduate students will be stretched and challenged to appreciate the diversity of Christ’s body and their need to locate their personal role of service.

The Graduate School of Kentucky Christian University intends that students participate as disciples, whose desire is to learn of their Master and to model His teachings. It is also intended that, as disciples, all members of the Graduate School will practice Christian submission to Christ, to the teachings of scripture, and to the wider Christian community. Thus, students learn and live in Christian fellowship under the Lordship of Christ.

Social Life

Graduate students are busy people, but there is still time for developing friendships in and between classes. The McKenzie Student Life Center provides a perfect place for students to gather and discuss issues from classes as well as cultivate personal relationships. It also houses a game room and fitness center. There are many activities on campus open to graduate students and their families. These include concerts by the KCU Concert Choir and Chorale, plays, concerts by popular contemporary Christian artists, the annual Feast of Christmas, and various sporting events throughout the year. There are computer labs in Lusby Center and Young Library. The Wayne B. Smith Center for Christian Leadership also has lounges where graduate students can meet with faculty and fellow students for informal discussions, study sessions, and committee meetings.

Office of Admissions

The Office of Admissions is located on the first floor of the Lusby Center. This is the focal point of all Graduate School activities and information. Graduate students may take care of many of their academic needs at the Office of Admissions. Office hours are from 8:00-5:00 each weekday.

Young Library

Young Library offers a variety of study areas and facilities for research. Young Library maintains a book collection in excess of 100,000 volumes, maintains subscriptions to 307 periodical titles, provides access to 14,168 journals and serials in electronic format, and access to over 100,000 electronic full-text book resources and 2,856 electronic reference resources linked to the Young Library website. The mission of Young Library is to support the curriculum of the university, to help users gain access to information in a variety of forms, to assess the information needs of its users, and to encourage the development of information literacy in support of life-long learning skills.

Young Library web page provides convenient electronic access to the library’s catalog and to the catalogs of library agencies within the Commonwealth of Kentucky; access to indexing and abstracting services in a variety of subject disciplines; access to a broad range of full-text informational resources (including full-length books); and extensive bibliographic verification capability. The Young Library Web Page is accessible 24-hours per day.

In order to provide an extension of access to resources via Inter-Library Loan, Young Library is a participant in the Kentucky Library Network, the Christian Library Network, the Bowen Central Library of Appalachia, the Kentucky Virtual Library, and SoliNET – an Interlibrary Loan source for the entire Southeast. In addition, the Library derives benefit from alliances with the Association of Independent Kentucky Colleges and Universities, the Appalachian College Association, and the Council for Christian Colleges and Universities.

Campus Store

The KCU Campus Store is located on the second level of Lusby Center. Their mission is to stock the materials needed to meet the needs of students. For more information and store hours, call (606) 474-3247.
Housing
A number of hotels are available to provide accommodations during the weeks when graduate modules are being offered. Many graduate students identify fellow students with whom they may share rooms during the course of a week-long module. Questions regarding housing needs/opportunities should be directed to the Director of Residence Services at (606) 474-3153.

Counseling Services
Every effort is made to provide help for students. Students may secure guidance concerning their personal, spiritual, vocational and academic lives. Students have an assigned advisor who can assist them with choosing classes and offering advice as they progress through their program.

Health Services
In addition to excellent community medical resources, including hospitals and doctors' offices, the University has a registered nurse on staff during the spring and fall semesters.

Academic Information
Types of Courses
1. One Week Intensive Courses
All KCU graduate classes are offered in the semester format. These program offerings are designed specifically to support the exciting personal vision and fit the busy lifestyle of today's church leaders and paraprofessionals. These three hour courses are conveniently formatted into a one week on-campus class with pre-session and/or post-session assignments.

This type of class will require the graduate student to come to KCU’s campus for one week to participate in lectures, discussions, research, and other learning activities. The on-campus week may fall any time within the semester, including the first week. The week will be announced well in advance. Pre- and post session requirements such as research papers, required reading materials, journal article reviews, and book analyses will be available in the syllabus.

A student will not be allowed to participate in the on-campus class activities unless he or she has completed and turned in the pre-class assignments. Following the week-long class, the student will have several weeks to review, study, and integrate new materials into his or her learning. This will be partially accomplished through research and writing activities as well as proctored exams.

2. Online Courses
The Graduate School also offers courses that may be completed entirely on the internet. These courses extend approximately 13 weeks. There may be weekly reading and writing assignments and chat room requirements culminating in exams and research papers. On-line courses are intended to augment the traditionally delivered coursework for KCU graduate students.

3. Traditional Courses
In addition to the above types of courses, the KCU Graduate School will continue to offer full-semester courses that meet on campus.

Graduation Requirements
Graduation requirements are listed with each degree.

Academic Advising/Course Scheduling
Although the area directors and the advisors are available to assist students in course planning it is ultimately the student's responsibility to ensure that all courses are scheduled and all course and program requirements are met satisfactorily. It is recommended that a student make contact, by phone or in person, with his or her advisor at least once in a semester to check on progress.
Registration for Courses

Course schedules are posted online for each graduate program, listing courses offered a year in advance so that students may plan ahead. Registration dates are available online for each semester. Registration is complete when all information requested has been properly recorded and satisfactory financial arrangements have been made with the Business Office.

A late fee is charged to students who enroll after the deadline set for completion of registration. Contact the Office of Admissions for more details.

Class Attendance

Class attendance is essential for satisfactory academic performance. Students are responsible for class content and experiences. Regular attendance at class is expected. Individual faculty members evaluate each student’s record of attendance in determining the final grade. Each class is designed to be a vital part of course work. Therefore, each student is expected to attend and be an active member of each class. In the event that an absence is unavoidable, it is the student’s responsibility to master what was missed in class.

Graduate/Undergraduate Credit

Graduate students interested in taking undergraduate courses for graduate credit or undergraduate students interested in taking graduate courses for undergraduate credit or dual credit should see the Dean of the Graduate School for the procedures to register for these courses.

Grading System

Kentucky Christian University follows the 4.0 grade point system and requires a 3.0 average for graduation.

Grade Interpretation

Evaluation and grading policies must include criteria for assigning grades, weights for particular assignments, and conditions related to the interpretation of grades.

Grade “A” is given for meeting with conspicuous excellence the demands which can fairly be made in relation to the requirements of the course. These demands would normally include unusual accuracy in fact, completeness in detail, perfection in form of work, independence of method, grasp of subject as a whole, and constructive imagination.

Grade “B” is given for attaining satisfactory familiarity with the course content and for demonstrating at least some ability to use this knowledge in a satisfactory manner.

Grade “C” is marginal work involving minimal or inadequate achievement of course objectives.

*Incompletes*

If for some serious reason a student is unable to complete course work before the final deadline or is unable to take the final examination, he/she may petition a professor for a grade of “I” (Incomplete). Written permission must be secured from the Dean of the Graduate School to award an incomplete. Work designated as incomplete must be finished within six months from the date designated as the final due date for the course in question. If the work is not completed, the incomplete becomes an “F” entry on the transcript.

A student who is finishing an incomplete will be allowed to take the next course in his or her sequence. However, a student may not register for any additional classes if he or she is in the process of resolving two outstanding incompletes. Once the student has finished at least one of the incompletes, he or she will be allowed to register for the next class in the program sequence.

**Academic Probation**

Students earning a cumulative grade point average below 2.6 will be placed on academic probation for the following three course sessions and must earn a cumulative grade point average of 3.0 or above during the time they are on probation. A cumulative grade point average of 3.0 is required to graduate in all programs.

**Student Progress**

Student progress is reviewed at the end of the traditional academic year in May. Students who have failed to raise their cumulative grade point average above the minimum 2.6 after having been on academic probation will be asked to withdraw unless significant extenuating circumstances can be demonstrated.

**Withdrawal from Course**

Students may withdraw from a course with approval from the faculty member and area director. Forms are available from the Registrar's Office (see page 13 for withdrawal fee). Such students must continue to attend class until they receive official notification that the request has been approved.

The course from which a student withdraws will be graded with a “WP” (withdrew while passing), or a “WF” (withdrew while failing). Any student who stops attending class without submitting the proper paperwork within the official deadlines will receive an “XF.”

Withdrawal will not be official nor will refund be given (see Refund Policy) until the withdrawal form is signed by the appropriate University officials and returned to the Registrar’s Office. It is recommended that students meet with their advisor prior to course withdrawal.

**Withdrawal from University**

Students are considered “students on record” until they complete all withdrawal procedures. All pertinent school regulations are binding until withdrawal procedures have been completed or it is determined that a student has withdrawn by default.

Withdrawal will not be official nor will refund be given (see Refund Policy) until the withdrawal form is signed by the appropriate University officials and returned to the Registrar’s Office. Students who are withdrawn administratively are not entitled to refunds.

Upon withdrawal from the University, the student’s academic record will show a “WD.” Failure to complete the necessary withdrawal procedures results in a final grade of “XF” for all courses in which the student is currently enrolled. It is recommended that students meet with their advisor prior to University withdrawal.

**Student Inactivity**

If a student takes no classes for a three year period, he/she will be dropped from the M.A. program. He/she must then re-apply to achieve readmission in order to continue to pursue the degree. He/she may be required to take an additional six hours of classes.

**Time Limit For Completion of the M.A. Degree**

Under most circumstances, each student will be expected to complete the graduate degree within seven years. In cases of illness, church crisis, and other similar emergencies, an appeal may be made to the Graduate School Senate for an extension.
**Independent Studies**

The Graduate School academic policy allows a maximum of six credits by Independent Study if the student can demonstrate a need for this provision. Independent Study guidelines are:

1. **Timely Registration:** Independent Study must be officially registered before studies begin.

2. **Documentation Requirements:** Three documents are required at the time of registration:
   
   A. The Independent Study Request form must be completed along with authorizing signatures for each independent study, and
   
   B. Documentation of Independent Study objectives and requirements (i.e., syllabus) approved by the cooperating Graduate School professor, and
   
   C. Normal registration procedures.

3. **Categories of Independent Study:**
   
   A. Increasing the credit value of a course in the published schedule for a given semester. For example, the student may demonstrate a need to earn 4 credits for a particular course which is normally scheduled for 3 credits.
   
   B. Registering for a course not listed in the published schedule for a given session. This category of Independent Study is registered for the normal credit value.

**Student Education Records**

Kentucky Christian University complies with the Family Educational Rights and Privacy Act of 1974 (FERPA). The purpose of this Act is to protect the privacy of student education records, to ensure each student's right to inspect his or her personal student records, and to ensure procedures are established whereby incorrect records may be changed.

Specific questions regarding University policies should be addressed to the University Registrar. Information regarding FERPA and details of University records protected by FERPA can also be obtained from the Registrar.

Each student's academic records are maintained in the Registrar's Office. Academic records include GRE scores, college transcripts from all institutions attended, KCU academic records, application to the University, recommendations, correspondence, and other admissions documents.

**Inspection and Review of Education Records**

Kentucky Christian University allows past and present students to inspect and review their education records by appointment. Students wishing to inspect their education records must submit a written request to the Registrar’s Office. An appointment will be set up for the review within a reasonable time (30 days). If requested, copies of allowable documents are made at the students expense.

Any correspondence or recommendations for students who have waived their review rights will not be available for student review.

**Release of Student Information**

The University considers some information to be “directory information” which may be disclosed to others without student permission. This includes items such as name, address, program of study, previous institutions attended, date and place of birth, honors, and degree(s) received. However, if a student does not want this information released, he or she must fill out a form to request the withholding of directory information. This form must be filled out each year by August 1 in order for the University to withhold this information.

Personally identifiable information from the student’s educational record other than directory information will not be disclosed to any third party without the student’s written consent.
