Dear Parent,

The Direct Plus Loan Program requires a:

- Application (includes a credit check)
- Master Promissory Note (Loan Agreement for Plus Loan)
- Request form to be signed and returned to the KCU Financial Aid Office.

The application and master promissory note are completed on a website provided by the Department of Education: studentloans.gov (Please select Parent Borrowers). You will be required to enter in your personal information and the **parent** FSA ID used when filing the FAFSA.

- (1) You will then complete a credit check (Apply for a Plus Loan) to determine eligibility. The loan amount should be the amount you will need for the entire year. Please take the processing fee into consideration when calculating your amount. Funds will be received in two equal disbursements (one half for the fall semester and one half for the spring semester).
- (2) If approved, you will also need to complete an MPN (Loan Agreement for PLUS Loan), which will be in effect as long as your child is enrolled.
- (3) The next step is to complete a Plus Loan request form (on reverse side) and return it to the Financial Aid Office at KCU. This may be emailed to Kaitlyn Jones (kjjones@kcu.edu) or faxed to 606-474-3268.

Each school year you will complete a **new credit check** for the amount you need for that academic year and a **Plus Loan Request Form** for the Financial Aid Office at KCU. You will **not need** to complete a new master promissory note.

If you have any questions, please contact the KCU Financial Aid Office at 606-474-3226.
