This is a special place to so many students, past and present. Over the past 100 years we have been a “light on a hill” for students who were searching for what’s next, hoping for a better life, and praying for guidance as they pursue a life of ministry.

How about you? What are you looking for? Whatever that may be, we are here to help you. I invite you to look through this viewbook and get a glimpse of who we are. If there is anything that resonates with you, anything that makes you think “this may be the place for me”, then give us a call, plan a visit to campus, and see for yourself! Check us out and

Be Inspired

Jesus Christ is priority one at Kentucky Christian University. With this in mind, we strive to provide opportunities for our students to grow in their relationship with Jesus in a number of ways.

- **Chapel Services** – Twice per week chapel services provide students with meaningful and thought provoking messages while providing the best in worship by our on-campus worship teams. Chapel is required at KCU, and is often one of the fondest memories of our alumni!
- **Life Groups** – Several faculty and staff members at KCU sponsor special “Life Groups” which meet on a regular basis for social activities, Bible study, and food! This is a great opportunity to get to know your professors and other students.
- **Dorm Devotions** – In many instances, students will experience regular devotional times in their dorms, led by their resident assistants (RA’s).
- **Spring Fling** – This is a special day during the spring semester when students get a “surprise” day off with lots of fun activities, food, and a service project in the community. This gives KCU

the opportunity to go out into the community and provides students the opportunity to serve and share Christ with others.

- **Mission Trips** – During the school year, there are several opportunities for students to participate in mission trips (many of which take place during spring break). Trips in the recent past have included mission work in the Dominican Republic, Haiti, and Ireland.

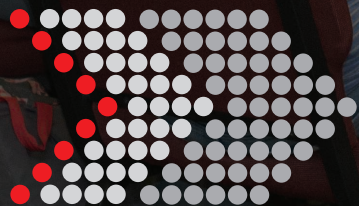

- **The Prayer Garden** – The newly completed prayer garden gives students a quiet, outdoor venue for prayer, and reflection, or just a time to “be still and know” that He is God.

Kentucky Christian University is honored to have highly qualified professors who are also dedicated Christians. Each academic program at KCU strives to provide excellent instruction to our students, preparing them for the job market and graduate programs in their fields of study.

"As a student at Kentucky Christian University, I've had the opportunity to not only play on our Football team, but also be a part of the Chapel worship team. Having these opportunities, plus fulfilling my hopes to be a social worker one day has made my experience at KCU one I'll never forget. I'm excited about the future!" **Jacob Ellis**

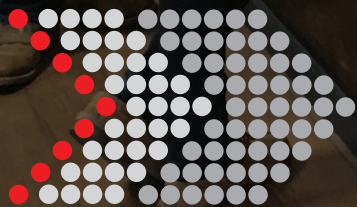

"It never entered my mind that I would get the chance to play basketball in college. But not only do I get to play, but I get the opportunity to prepare for a future in sports management. I also had the opportunity to help plan the annual KCU Leadership Conference. This experience really helped me grow in confidence and professionalism. I look forward to using what I've learned in my future career." **Owens Crawford**

"Where did the time go? As a recent graduate of KCU (2019) I am so thankful in so many ways – I got to play soccer, work in the Admissions Office, sing in the Chapel worship team, and plan worship services for community youth groups. And, I've loved every minute of it. Now I get to use my degree in Social Work in my brand new job. I love KCU!" **Kaylee Limings**
