

Welcome to KCU!

Below you will find login instructions for new Sakai users.

Navigation tips will be provided at New Student Orientation.

Login and Change Your Password

1 **User ID:** (Your complete KCU email address)

2 **Password:** (Your KCU ID number)

3 Click **Log In** button

The screenshot shows a web browser window with the URL <https://sakai.lampschools.org/portal/>. The page features the Sakai logo and a navigation menu on the left. The main content area displays a "Message Of The Day" and "Service Information Display".

Numbered callouts are placed on the page to indicate login steps:

- 1** points to the "User Id" input field, which contains the text "User".
- 2** points to the "Password" input field, which contains the text "Password".
- 3** points to the "Log In" button.

The "Message Of The Day" section contains the following text:

Message Of The Day [Link](#) [? Help](#)

Sakai 20 was release on April 30. The LAMP Consortium plans to **upgrade to Sakai 20.1 on Monday, June 22.**

To learn more about Sakai 20, see the following resources:

- [Highlights of this new release.](#)
- [Sakai 20 release notes.](#)
- [Complete feature summary for Sakai 20.](#)

Our current plan is to take Sakai off line at 8:00 AM on Monday, June 22 and have the system back up by late afternoon with all of your content brought over to the new release. Make plans accordingly as Sakai will not be available for the bulk of the day on June 22.

The "Service Information Display" section contains the following text:

Service Information Display [Link](#) [? Help](#)

Welcome to LAMP!

By using this web site or any LAMP Consortium services you are agreeing to abide by our [Terms of Use](#).

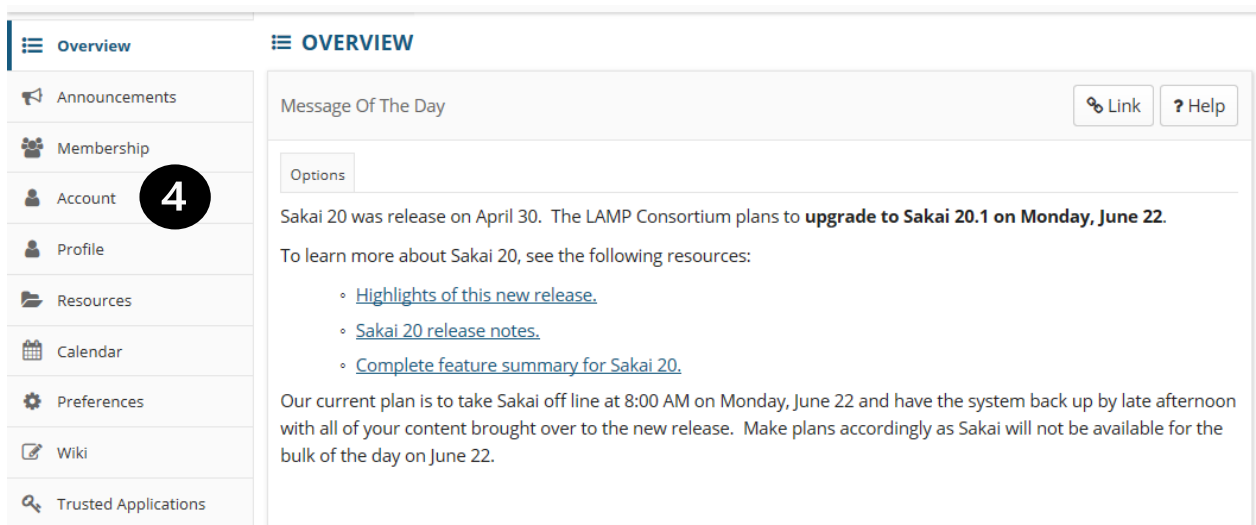

For more information about LAMP, click [here](#).

For assistance with logging on, find your organization below:

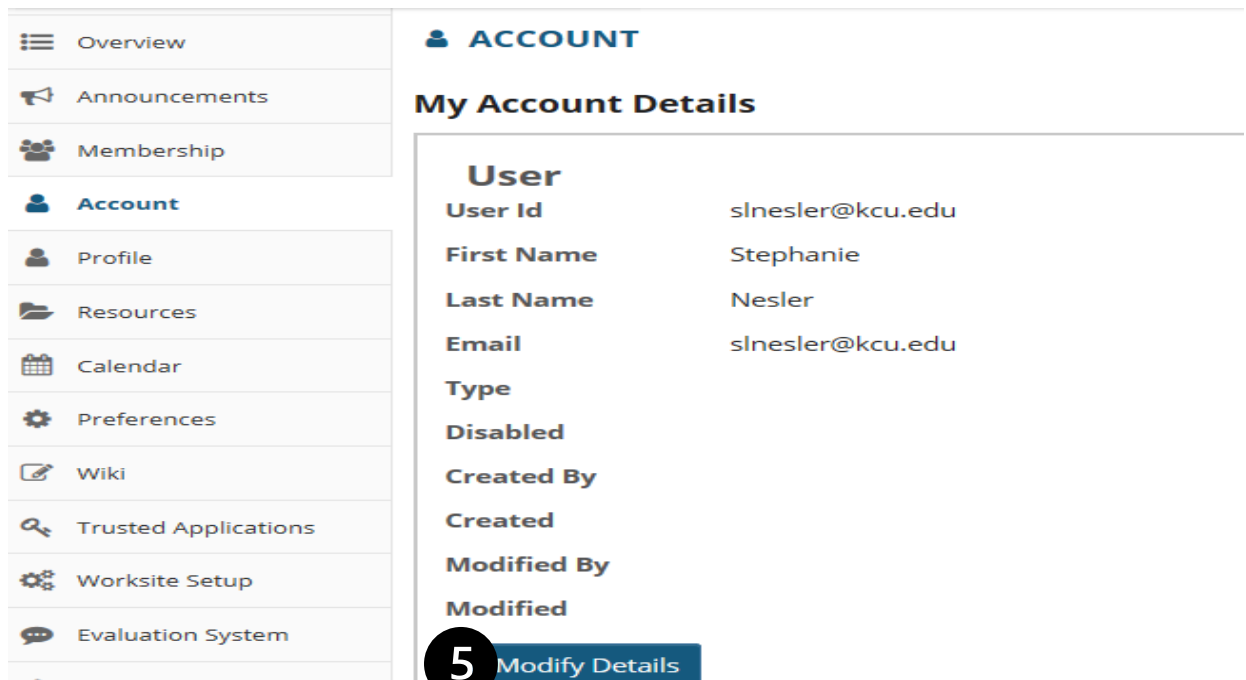

(Para obtener ayuda con el registro, haga clic en el enlace para su organización.)

**Protect your account information.
Change your Sakai password immediately.**

4 Click on “Account”

5 Click on “Modify Details”

6 Enter your **current password** and **create a new password**.

7 Click “Update Details”
