3. Have you combined statistics that you received from the local or state police with your institution statistics for this report? If you answer No to this question, you will be asked to provide the data you received from the local and state police separately.
Yes. Local and/or state law enforcement agencies provided us with statistics that we are combining with statistics collected by our campus security authorities.
O No. We are not combining the statistics because we cannot determine whether the statistics we obtained from local and/or state law enforcement agencies are for oncampus incidents or public property incidents.
O Not available. We cannot determine if the statistics we obtained from local and/or state law enforcement agencies are for our Clery geography.
O Not available. We made a good-faith effort to obtain statistics from local and/or state law enforcement agencies, but the agencies did not comply with our request.
