UNIVERSITY PROFILE

Mission Statement

The mission of Kentucky Christian University is to engage students in a transformative educational experience that equips them as effective Christian professionals providing servant leadership for the church and society.

Expanded Statement of Purpose

Therefore, the Bible which is regarded as the revealed Word of God and the final authority in all matters pertaining to life and faith is exalted as the foundation of every curricular program. The pursuit of scholarship at Kentucky Christian University is distinguished by the conviction that to be truly educated one must have the capacity to make responsible moral decisions, be committed to serving the needs of others, and be recognized as a skilled contributor to one's profession. Such a distinctiveness requires that students be exposed to the moral and spiritual principles taught in the Bible and that they are to think ethically as well as logically, analytically, and critically.

The Board of Trustees, administration, faculty, and staff of the university are committed to the maintenance of an academic community in which Christian character and spiritual values accompany the tasks and opportunities of scholarship. Persuaded that education is a lifetime pursuit, the university provides a foundation of knowledge, skills, and values which enables its students to:

1. Enter meaningful and fulfilling professions within the leadership ministry of the church and/or within the global community, resulting in the opportunity to fulfill the mandates of the Great Commission and to work as a means of self-support.
2. Influence the religious, social, educational and business communities with the biblical principles and moral character exemplified in the life and teachings of Jesus and His apostles.
3. Pursue and succeed in the attainment of personal and professional goals, including the completion of advanced academic degrees and/or promotion within their chosen field of endeavor.
4. Actively be involved in their communities as citizens who are concerned with improving the quality of life for all people groups.
5. Pursue healthy lifestyles and take appropriate action to promote wellness within their families and throughout their communities.
6. Build a legacy for the next generation by nurturing those institutions (e.g. the home/family, the church, the Christian college) which are critical to the establishment and maintenance of Biblical values, including moral integrity, ethical principle, and human dignity.
7. Develop an awareness of the interconnectedness of nations and peoples and seek out opportunities to promote peace, goodwill and the enrichment of life within the global village.

Governance

Kentucky Christian University is governed by a self-perpetuating and independent policy-making Board of Trustees that manages the affairs and business of the University.

Religious Affiliation

Kentucky Christian University is a private university affiliated with a fellowship of independent congregations known as Churches of Christ and Christian Churches. Because these independent congregations claim no creed or statement of faith except for the Scriptures and because no

denominational headquarters establishes a doctrinal position for the University, the Board of Trustees has resolved that the University will abide by only a brief and general statement based on those teachings of Scripture which are clearly taught and universally embraced by these independent congregations. These teachings include:

That God is not only the omnipotent, omniscient and omnipresent Creator of the universe, but also the loving Father, Provider of all life, and righteous Judge.

That the Bible is God's divinely inspired revelation to man. These Holy Scriptures are not to be added to, nor subtracted from, by anyone.

That Jesus is the Christ, the Son of God, who came to earth in the fullness of time, as Savior and as Messiah. This same Jesus is recognized as the only begotten Son of God, born of the virgin Mary, crucified on the cross after a sinless life on earth, raised bodily as Lord from the tomb, ascended into heaven as King of Kings, and is coming again to reclaim those who are His own.

That the Church is the divine institution by which God has provided for the preaching of the Gospel and the salvation of the world. This Church, the Body of Christ, has divinely given ordinances, which are Christian baptism, the immersion of the penitent believer for the remission of sins, and the gift of the Holy Spirit; and the Lord's Supper, observed weekly in the remembrance of Him.

That the unity of all followers of Christ can be realized on the basis of a return to the primitive pattern for Church doctrine—in practice, in polity, and in life—as seen in the New Testament.

The founders of the University, as well as the current Board of Trustees and administrative leadership, were and are keenly aware of the many issues, which have divided and continue to divide Christian Churches. As a university, we believe it is ill advised to contribute to division and disunity by aligning ourselves, on the basis of opinion, with any party or sect. Rather, in the spirit of the first century Church and many early Christian reformers, we choose to be non-sectarian.

It is required that full-time faculty members adhere to these teachings and principles and seek to inculcate them into the lives of their students. Furthermore, each student is expected to attain the goals of Christian character and conduct which are implied in these teachings.

Heritage

Kentucky Christian University was established in Grayson, Kentucky, on December 1, 1919, as "Christian Normal Institute." The co-founders were J. W. Lusby, an outstanding educator, Church leader, teacher, and journalist of eastern Kentucky; and J. O. Snodgrass, a minister of the Gospel from Iowa. Associated with them was R. B. Neal, an evangelist of eastern Kentucky.

In her earlier days, Christian Normal Institute included both high school and junior college programs, which emphasized the preparation of public school teachers, as indicated in the very name of the institution - "Normal." This area of education was phased out during the early 1920s when the central purpose of the school was directed toward the education of young people for Christian ministries. The name was changed to "Kentucky Christian College" in 1944.

In September 2004, the institution changed its name from Kentucky Christian College to "Kentucky Christian University." This name change represented a profound rebirth for the 85-year-old institution. The move to university status brought with it a new seal, a new website, new signs, and many other

surface changes. However, these changes are only significant because they represent the many new and exciting opportunities the University has to advance the Lord's Kingdom through educational ministry. While the school's name has changed, Kentucky Christian University remains unwaveringly committed to its mission of educating students for Christian leadership and service throughout the world.

Through the years, under the leadership of Dr. J. W. Lusby (1919-1937), and his successors in the presidency, Dr. J. Lowell Lusby (1937-1977), Dr. L. Palmer Young (1977-1987), Dr. Keith P. Keeran (1987-2009), Dr. Jeffrey K. Metcalf (2009-2019) and Dr. Terry Allcorn (2019-Present), Kentucky Christian University has educated some of the most outstanding Christian leaders, both in the church and in other professions throughout the world.

Kentucky Christian University remains committed to providing a strong biblical foundation for each of her students. This foundation, then, becomes a source of beliefs, which will influence the way students conduct themselves within a chosen vocation. The belief that a Bible core and vocational preparation should coexist is distinctive at Kentucky Christian University. Her sixth president, Dr. Terry Allcorn, is committed to the task of seeing that this purpose remains central as the University's programs expand to prepare Christian workers in several carefully chosen fields.

Campus and Facilities

Kentucky Christian University is located in Grayson, Kentucky, the county seat of Carter County, in the Appalachian foothills of lovely eastern Kentucky. The campus is at the northern boundary of Grayson, just off Interstate 64, which links the Bluegrass area of Kentucky with the industrial heart of West Virginia. Our beautiful 121-acre campus is located less than 20 miles from three state parks, each offering camping, hiking, and lake access. Ashland, Kentucky and Huntington, West Virginia—both industrial and business centers—are approximately a 30-minute drive from the Grayson campus.

The academic facilities include the multipurpose Lusby Center, the Wayne B. Smith Center for Christian Leadership, the Nash Chapel and Fine Arts Center, the Trinity Building, the Young Library, and the Yancey School of Nursing Buildings. The Ruth Administration Building houses most administrative offices.

Young Library

Young Library offers a variety of study areas and facilities for research. Young Library maintains a book collection in excess of 100,000 volumes, maintains subscriptions to 307 periodical titles, provides access to 14,168 journals and serials in electronic format, and access to over 100,000 electronic reference resources linked to the Young Library website. The mission of Young Library is to support the curriculum of the university, to help users gain access to information in a variety of forms, to assess the information needs of its users, and to encourage the development of information literacy in support of life-long learning skills.

Young Library web page provides convenient electronic access to the library's catalog and to the catalogs of library agencies within the Commonwealth of Kentucky; access to indexing and abstracting services in a variety of subject disciplines; access to a broad range of full-text informational resources (including full-length books); and extensive bibliographic verification capability.

In order to provide an extension of access to resources via Inter-Library Loan, Young Library is a participant in the Kentucky Library Network, the Christian Library Network, the Bowen Central Library of Appalachia, the Kentucky Virtual Library, and SoliNET—an interlibrary Loan source for the entire Southeast. In addition, the Library derives benefit from alliances with Association of Independent

Kentucky Colleges and Universities, the Appalachian College Association, and the Council for Christian Colleges and Universities.

Email: knights@kcu.edu

Mission Statement

The Department of Enrollment Services is a ministry of building partnerships to advance the Great Commission through student enrollment.

Office of Admissions

The Admissions Office is located on the first floor of the Lusby Center. Office hours are from 8:00-5:00pm each weekday.

Admission Information

The KCU Graduate School provides opportunity for advanced study to qualified and motivated students who have the determination and personal vision to become effective and dedicated servant leaders.

Admissions Decisions

In examining the credentials of applicants, admissions personnel consider the applicant's experience, commitment, and character, as well as academic ability demonstrated in the applicant's undergraduate and graduate transfer records. The Graduate Record Examinations (GRE) may be required for some programs if the applicant's undergraduate grade point average is lower than the Graduate School's 2.50 requirement for the Keeran School of Bible and Ministry and 3.0 for the Yancey School of Nursing.

(*OR a grade point average of 3.0 on the last 30 hours of credit completed, including undergraduate and graduate course work for Teacher Leader program.)

To receive more information on the Graduate Record Examinations, write to GRE, P.O. Box 6000, Princeton, NJ 08541-6000 or call 609-771-7670. The code number for Kentucky Christian University is 1377.

Admissions Deadlines

Applicants for the Bible and Ministry program are accepted on a rolling admissions basis which means that the applications are considered for fall, spring, and summer course start dates, depending on the program.

The MSN program offers a fall start only. All applications completed prior to March 1st will be considered for priority admission. All applications must be completed by May 1st to be considered for fall start.

The Teacher Leader program also offers a fall start only. All applications completed prior to July 15th will be considered for priority admission. All applications must be completed by August 1 to be considered for fall start.

Transfer Policy

1. New students must request a transcript analysis by the Program Coordinator in order to have transfer of graduate credits considered. The Program Coordinator and/or the Graduate School Council must approve all requests for transfer of graduate credit.
2. Graduate credit will not be accepted for transfer until the student has completed a minimum of nine graduate hours with a cumulative grade point average (GPA) of 3.0 or higher at Kentucky Christian University.
3. Students may transfer up to nine hours of graduate credit into a master's program if the graduate work was completed at a regionally accredited college or university and consisted of courses in which they earned a grade of 3.0 (on a 4.0 scale) or better. Coursework accepted for credit toward a graduate degree must be relevant to the degree under consideration. It must also reflect content and instruction resulting in student competencies equivalent to those required of the students enrolled in similar courses at KCU. *(Note: MSN graduate courses with clinical component cannot be considered for transfer credit.)*
4. For Bible and Ministry students seeking consideration of graduate credits earned at an institution or in a program which was not regionally accredited will be evaluated by the Program Coordinator, Registrar, and the Graduate School Council using the following guidelines:
 - How have other regionally accredited institutions evaluated this work?
 - An evaluation of all of the work completed in the previous program on a course-by-course basis, including a review of the syllabus for each course, the requirements to complete each course, and the academic credentials of faculty teaching each course. This information must be submitted by the registrar of the institution at which the coursework was completed along with appropriate transcripts.
 - Coursework accepted for credit toward a graduate degree must be relevant to the degree under consideration. It must also reflect content and instruction in student competencies equivalent to those required of students enrolled in similar courses at KCU.
 - Students must have earned a 3.0 (on a 4-point scale) or higher in each course being considered for transfer.
 - Faculty teaching in these programs must have had the appropriate terminal degree.
 - Transfer credit will be entered on the graduate transcript after the student has completed a minimum of nine graduate hours with a GPA of 3.0 or higher.

Admissions Classifications

Provisional Admissions-Academic

If the applicant possesses the stated qualifications and recommendations and meets all requirements with the exception of Graduate Admissions Criterion #3, the student may be considered for provisional admission to the Graduate School program and may register for a maximum number of nine credits. Provisional admission is not automatic. Students are evaluated on an individual basis.

Provisional Admission- Special Circumstances

Requirement for Regular Admission: Applicants must be graduates of regionally accredited institutions or institutions which are members of the Council on Higher Education Accreditation (CHEA) to be considered for regular admission (Note: MSN can only accept students from a regionally accredited program.)

Process for Determining Equivalency (Bible and Ministry only): Applicants from an institution that is not regionally accredited may be granted provisional acceptance provided they meet all of the other stated admission requirements. Final determination of admissibility is based on the following steps of approval:

- The Committee on Admissions reviews the undergraduate curricula at the institution from which the student received their undergraduate degree in order to be satisfied that the program is relevant to KCU's graduate offerings.
- Transcripts and, if necessary, a selection of syllabi are evaluated by the Committee on Admissions to determine if the quality and extent of the program in which the student completed the degree are appropriate preparation for KCU's graduate level requirements.
- Credentials of faculty teaching the coursework in the student's undergraduate program may be reviewed to determine whether instructors have the appropriate academic degrees.
- The Committee on Admissions may require up to an additional 21 hours in undergraduate or graduate work. Each student must have no fewer than 15 hours in Liberal Arts (including one class each in history, science, composition, mathematics, and literature) and six hours in Biblical/Theological/Religious Studies taught by an approved instructor)
- Once the student begins graduate classes, he/she will be on provisional status no longer than two semesters and must earn a GPA of 3.0 or better.

Length of Provisional Status

Bible and Ministry applicants matriculating from unaccredited institutions who meet all other admission requirements will be admitted on "Provisional Status" for a period not to exceed one year. A student may not enroll for more than nine graduate credit hours while on "Provisional Status." While on "Provisional Status," the student must successfully complete all graduate courses attempted.

Provisional Admission-Incomplete Application

Provisional admission will only be granted to students in the Bible and Ministry program if a person is missing reference forms. Graduating students must submit an official transcript before provisional admission will be granted. Provisionally admitted students will be allowed to take a total of three credit hours (three modules).

Nonmatriculant Student Status-Bible & Ministry Program

Individuals who have an undergraduate degree, or are seniors and within one academic year of completing an undergraduate degree may apply for admission as a nonmatriculant student. Such students will be classified as graduate nonmatriculant students. Permission to register as a nonmatriculant student is granted by the Program Coordinator and is conditional on available space. Undergraduate seniors who qualify to become graduate nonmatriculant students may take an undergraduate level course for dual credit. A greater course workload would result and the student would gain both undergraduate credit and graduate level credit for the course. Approval of the instructor is required.

Upon completion of nine credit hours, the nonmatriculant student must fulfill the application process for acceptance into a degree program to continue graduate studies. If a nonmatriculant student is admitted to a graduate program, the credits earned in a course as a nonmatriculant graduate student may be used to meet degree requirement. In no case may more than nine credit hours taken before admission to a program be used toward degree requirements.

Audit Status

Audit is the privilege to attend a course for enrichment without receiving formal academic credit. A student will be accepted for audit status upon approval of the program chair and instructor. A limited number of persons are permitted to take a course for audit if classroom space permits. A student is granted one hour of audit credit for each ten hours of class attended. Thus, one three-credit graduate class would be worth four audit credits. Audit credits are recorded on a transcript. A student taking courses for audit credit should not expect individual attention or personal evaluation from the instructor. Withdrawal from auditing a course requires the normal withdrawal process.

Students interested in audit status must complete the application form but are not required to complete the other admission forms. The audit fee is approximately one-half of the module tuition rate.

Admissions Procedures

Credentials

All records submitted by the applicant become the property of the University and are kept as part of the permanent record of the student. Copies of these credentials are confidential and will not be released to any outside person or agency without written permission. If students require duplicate records for any reason, they should be obtained from the original source. In accordance with the Family Education Rights and Privacy Act of 1974, students have access to confidential information pertaining to them. In order to allow complete openness for the individuals providing personal references, the student may sign a waiver foregoing this privilege in respect to these forms.

FINANCIAL INFORMATION

Contact Person: Sandi Peppard

Phone: 606-474-3226

Email: sjeppard@kcu.edu

Mission Statement

The purpose of the Business Office and Financial Aid Office is to honor God by providing administrative, financial, and financial aid services to the University's strategic operating units in order to enhance the education of students who are preparing for Christian leadership and service in the church and in professions throughout the world.

Financial Information

Kentucky Christian University is supported by the giving of Christian people who contribute through congregations (by the way of the Church budget, missions or faith-promise budget, Bible School budget and classes, or other congregational organizations), as well as by individual gifts. These contributions, sent directly to the University, supplement the payments which are made by students for tuition and fees (room and board for undergraduate study).

Congregations and individuals provide a large portion of the funds necessary for general operating expenses. "Living endowments" are needed for each student enrolled in order to meet the various expenses of operation. The University does not receive direct support from local, state, or federal government and must rely upon those who love the Lord for this provision.

Wills making provision for Kentucky Christian University, either through general or specific bequests, provide for new buildings or other needed campus facilities. Also, donors remember the University with scholarship funds.

Employee Tuition Reimbursement Programs

Students whose employer will be paying for their course(s) must submit a letter stating this to the Business Office. The student's letter must include a letter of authorization from the employer which allows the university to bill the employer for the student's tuition and fees. The letter of authorization from the employer should include the following:

- The time period covered by the letter of authorization
- The maximum amount that will be paid, if there is a limit
- Charges covered by the authorization (e.g. tuition, fees, books)
- A statement that payment is not contingent upon the grade received in the course(s)
- A statement that the invoice will be paid on receipt or that payment is not contingent upon the completion of the course(s) or program.
- Name and phone number of contact person at the employer's administrative offices
- Billing address

Adjustment of Tuition and Fees

If necessary, Kentucky Christian University reserves the right to make adjustments in charges with notification to those affected.

International Applicants - Financial Arrangements

Entry into the United States as a student is not permitted without means of support at the level indicated below. All international applicants must submit an Affidavit of Sponsorship form, completed in its entirety by the applicant or a qualified sponsor. This will be sent to the applicant once an application is received. The applicant must have the monies needed or have financial sponsor(s) who will agree to provide for all expenses during the applicant's entire stay.

Financial Policies

Settlement of Accounts

All students are responsible for payment in full of all tuition and fees at the time of registration, unless prior arrangements have been made with the Business Office. It is the student's responsibility to notify his or her employer if tuition reimbursement is available. The University's published Tuition and Fees schedule is readily available and easily accessible on the website at www.kcu.edu/campus-office/financial-aid/ using the "View Financial Cost Sheets" links on the left side. All charges, payments, and financial aid disbursements are recorded in the student's account.

Financial Aid

Graduate Assistantships, Scholarships, Discounts/Application Procedures and Deadlines

Church Sponsored Scholarship Program

Full-time students pursuing graduate degrees in the Graduate Bible Program may be eligible for a Church Sponsored Scholarship. This program encourages churches to provide scholarship support for their members who are training to become leaders in the Christian church and its related ministries. Check with the leaders of your church to see if they offer tuition assistance.

Satisfactory Progress, Probation and Suspension

The University has adopted the satisfactory progress standards below for all degree-seeking students, those receiving financial assistance and those not receiving financial assistance. This means that an enrolled degree-seeking student must make satisfactory academic progress toward obtaining an appropriate degree during each academic term. These standards are applicable to all degree programs and for all federal financial aid programs (i.e., Pell Grant, FSEOG, and Direct Loans); state financial aid programs (i.e., KEES, CAP, and KTG); and institutional financial aid programs (i.e., KCU awards, KCU grants and KCU scholarships) administered by Kentucky Christian University.

Policy At Kentucky Christian University, in order to continue enrollment, a student must demonstrate satisfactory progress by maintaining a minimum grade point average (a qualitative measure). For financial aid purposes only, a student must also successfully complete a minimum number of the total hours attempted (pace, a quantitative measure).

The University's satisfactory progress policy is that degree seeking-students are making satisfactory progress when they meet the following requirements:

- A. **Undergraduate GPA-** An undergraduate student who has attempted up to 29.99 credit hours at KCU or another institution must have at least 1.86 cumulative GPA (based on a 4.00 grade point scale) at KCU at the end of the current semester. A student who has attempted 30 or more credit hours at KCU or another institution must have at least a 2.00 cumulative GPA at KCU at the end of each semester.
- B. **Graduate GPA-** A graduate student must have at least a 2.6 cumulative GPA at the end of their first semester. A graduate student with a cumulative GPA below 2.6 will be placed on academic and financial aid probation for the following semester and must earn a term grade point average of 3.0 or above during the probation term. A cumulative GPA of 3.00 is required to graduate in all graduate degree programs.
- C. **Pace- For financial aid purposes only**, a student must successfully complete a minimum of 67% of the cumulative credit hours attempted during each academic year, including accepted transfer credit hours. Successful completion for this purpose is receiving a grade of "C" or better. Satisfactory pace is determined at the end of each academic year.

Procedures The specific procedures the University uses in applying these satisfactory progress standards are as follows:

1. The final grades for a completed semester are reviewed by the Registrar to determine the satisfactory GPA for all degree-seeking students.
2. Remedial courses, courses taken for audit, and courses in which an earned grade of NC, P, S, U, WD, WP, or WF are not figured in the calculation of a student's grade point average.
3. GPA and pace percentages are calculated with standard rounding rules to the third digit after the decimal point.

For financial aid purposes only:

4. The pace measure for a completed academic year- cumulative hours completed divided by the cumulative hours attempted- is reviewed by the Director of Financial Aid to determine satisfactory pace progress of all degree-seeking students.
5. Hours attempted for purposes of this policy are defined as those for which a student receives a grade of any form of A, B, C, D, as well as a grade of F, XF, WD, WP, WF, I, IP, P, R, S, or

- U. Accepted transfer hours will be considered in calculating the total number of hours attempted.
6. Hours completed are defined as those for which a student receives a grade of any form of A, B, C, or D, as well as a grade of S.
 7. A grade of F, XF, WD, WF, WP, I, IP, P, R, or U will not qualify as successful completion of hours attempted.
 8. Withdrawing from a course at any point after the drop/add period will be considered attempted hours and will negatively affect the student's completion rate or pace, which could have an effect on the student's future financial aid.
 9. If otherwise eligible, a student is eligible to receive financial aid during a term of probation and/or during a term in which they may be repeating a course.
 10. A full-time student retains financial aid eligibility if they have attempted no more than 150% of the time required for their current academic program (e.g., 6 years for a 4-year degree program, 3 years for a 2-year degree program).
 11. A student retains financial aid eligibility if they have attempted no more than 160% of the credit hours required for their current academic program (e.g., 180 credit hours for 120 credit-hour degree program, 90 credit hours for a 60-credit hour degree program).

Probation and Suspension Failure to meet the satisfactory progress standards described above will result in academic probation and/or financial aid probation. If the standard GPA is not reached at the end of the probationary semester, academic suspension and/or financial aid suspension will follow.

Graduate students who are on academic probation will not be allowed to carry a class load of more than 9 credit hours in the following semester. NOTE: When feasible, students should re-take courses in which they performed poorly as soon as possible, as a higher grade when the class is retaken removes the previous poor grade from the GPA calculation.

Any full-time undergraduate student whose semester GPA falls between 0.50 and 1.0 is automatically placed on academic probation for the following semester, regardless of the student's cumulative GPA.

Any full-time undergraduate student whose semester GPA falls below 0.50, regardless of the student's cumulative GPA, is placed on academic suspension. Undergraduate students who are academically suspended cannot take any classes at KCU (online classes included). They must take and pass 12 transferrable hours in core academic courses with a minimum grade of "C" in each course. Then, they may apply for readmissions through the Office of Admissions. If possible, courses not passed at KCU should be taken to improve their academic standing upon return.

Suspension Appeal. Academic suspension may be waived if student's GPA is within .25 points of the necessary cumulative GPA. For information concerning this waiver, the suspended student should contact the Vice President of Academic Affairs.

Students who are placed on academic suspension, and who do not meet the requirements for an Academic Suspension Waiver, may appeal to the Enrollment Management Committee. The student must submit a written appeal. In their appeal, they must explain why they failed to meet the minimum standards and what has changed or will change to allow them to demonstrate satisfactory progress in the future. They must describe any extenuating circumstances that should be considered by the Committee. Students should also paint a clear, concise picture for the Committee of any specific changes in behavior, study habits, etc., that they will make in order to ensure a better opportunity for success. They must submit their written appeal to the Vice President of Student Services, who will take the appeal to the Enrollment Management Committee for consideration. Students will be notified of the decision of the

Committee within two business days of the Committee's meeting. If the suspension appeal is granted, the student will be considered to be on academic and financial aid probation and their financial aid eligibility may be reinstated for the following semester (one payment period). Students who are placed on academic suspension for a second time may be considered for readmission only after two years from the beginning of the second semester.

Reinstatement of Financial Aid Eligibility If a student's financial aid eligibility is suspended for failure to maintain satisfactory progress as defined above, it may be reinstated after the student demonstrates satisfactory progress. One option for reinstatement is for the student to enroll in and successfully complete a subsequent academic term at KCU (fall, spring) at his or her own expense. Another option for an undergraduate student is for the student to take and pass 12 transferable credit hours in core academic courses with a minimum earned grade of "C" in each course. Then, they may apply for readmission through the Office of Admissions.

If the student meets the minimum standards after considering the results of the self-pay or transfer term the student should submit a written appeal to the Director of Financial Aid explaining that they have completed a subsequent term at their own expense or at another institution and they now meet satisfactory progress standards to regain financial aid eligibility. The reinstatement decision of the Director of Financial Aid is final.

A student who is placed on financial aid suspension for not meeting the 67% Pace measure of satisfactory progress may submit a written appeal to the Financial Aid Director that is based on the student's injury or illness, the death of a relative, or other special circumstances. The written appeal must explain why the student failed to make satisfactory progress with regard to Pace and what has changed that will allow them to make satisfactory Pace progress at the end of the next payment period. If the student's financial aid suspension appeal is granted, the student will be placed on financial aid probation for the next payment period. If the Financial Aid Director determines that the student will require more than one payment period to meet the 67% Pace progress standard, the Directory will develop and academic plan for the student that will be reviewed at the end of each payment period while the students is on financial aid probation. If the student with an academic plan fails to make progress with the academic plan, the student's financial aid suspension will be reinstated. The student's financial aid eligibility remains intact while the student is on financial aid probation. The suspension appeal decision of the Financial Aid Director is final.

Veterans

Kentucky Christian University is approved for the education of veterans. Veterans are eligible for up to three years of educational benefits including both undergraduate and graduates. The veteran who desires to apply for entrance to the University will follow the regular admission procedures. All information concerning the veteran application for educational benefits should be addressed to the Registrar's Office at registrar@kcu.edu or 606-474-3260.

Loan Programs

KCU participates in a number of federal and institutional financial aid programs. Unfortunately, federally subsidized loans are available only to undergraduate students. Graduate students who need additional financial help may be eligible for a private education loan through banks or other lenders. For more information, contact the Financial Aid Office. Graduate students who successfully complete the Free Application for Federal Student Aid (the FAFSA) may be eligible for a Federal Direct unsubsidized student loan if they are enrolled at least half time.

Federal Direct Student Loan Program: This program enables students to borrow loans from the U.S. Department of Education. Students may qualify for a non-need based “unsubsidized” loan (student responsible for interest while in school). Direct Unsubsidized Loans have a fixed interest rate, which is currently 7.05%. The maximum annual loan limit for a graduate student is \$20,500. Before a student loan can be processed, the student must complete Entrance Counseling and a Master Promissory Note (MPN) online at www.studentaid.gov. Online Exit Counseling at www.studentaid.gov is required when the student graduates, leaves school, or drops below half-time enrollment status. Student loans must be repaid. Loan repayment begins six months after the student graduates, leaves school, or drops below half-time enrollment status.

Tuition Discounts for Graduate Bible Program

Qualified students may be eligible for one of the following tuition discounts:

Alumni Discount

Alumni of Kentucky Christian University’s undergraduate programs also eligible for a 20% tuition discount for programs in the Graduate Bible Program. They are also eligible for a 20% discount when taking additional courses for self-improvement (continuing education or credit).

KCU Graduates entering the MSN program are eligible for a one-time \$1,000 scholarship applied to the first semester of graduate work in the MSN program.

Graduates of the Graduate Bible Program of Kentucky Christian University are eligible for a 20% discount when taking additional courses for self-improvement (continuing education or credit) in the program from which they graduated.

Covenant Church Scholarship

Full-time staff members of a Covenant Church Program member church receive a 20% tuition discount in the Keeran School of Bible and Ministry’s Graduate Bible Program. This CCP tuition discount cannot be combined with the Alumni Discount.

Ministerial Discount

For each five years or part thereof that a student has served full-time in an area of ministry, such as a local church, a children’s home, the mission field, or Christian education, he or she is eligible for a 5% tuition discount up to a total of 20%.

Organization/School Discount

Churches, parachurch organizations, elementary schools, and secondary schools that have at least three employees registering for the same module in the Graduate Bible Program are eligible for a tuition discount. The tuition discount amounts are as follows:

3-5 people	10% tuition discount for each graduate student
6-8 people	15% tuition discount for each graduate student
9 or more	20% tuition discount for each graduate student

Family Discount

The second full-time student from families with more than one student simultaneously enrolled in the Bible and Ministry Graduate School is eligible to receive an annual award of \$750 that increases by \$250 for each concurrent enrollee. In the case of parents enrolling in other programs, the student must be a dependent student upon the enrollment of the parent. Family members enrolled in the Graduate Bible Program must be enrolled full-time for nine credit hours in a semester. Students must submit a "Tuition Discount" form to the Admissions Office before the scholarship deadline.

Spouse Discount

Married couples who register for the same graduate modules are eligible for a tuition discount of \$250.

Special Tuition Scholarship

KCU actively seeks to eliminate financial need as an obstacle for students wishing to participate in the Graduate programs. To that end, the University has established scholarship programs whereby United States students who do not possess adequate resources may earn scholarships, up to the full cost of tuition. For more information, please call 1-800-522-3181 or email knights@kcu.edu

Refund Policy for Graduate Students

Institutional Refund The amount of tuition and course-related fees refunded to a graduate student who withdraws is determined on a pro rata or proportional basis, based on the calculated percentage of the number of calendar days completed divided by the number of calendar days in the module or combination of modules, up to 49% completion of the term. There is no institutional refund if a graduate student successfully completes coursework equal to or greater than the coursework required for half-time enrollment status in the term or payment period. In addition, there is no institutional refund if a graduate student successfully completes 49% or more of the calendar days in the term, excluding scheduled breaks of five or more consecutive days and all days between modules.

Refund to Federal Title IV Program If a withdrawn graduate student has received any federal Title IV financial aid funds, typically from the Federal Direct Unsubsidized Loan Program, the University utilizes the U.S. Department of Education's Return to Title IV calculations for a program with standard terms offered in modules, which applies to the University's online programs, including the graduate programs. There may be a Title IV withdrawal exemption for a student who successfully completes coursework equal to or greater than the coursework required for half-time enrollment status in the term or payment period. In addition, there may be a Title IV withdrawal exemption for a student who successfully completes 49% or more calendar days of a term or payment period, excluding scheduled breaks of five or more consecutive days and all days between modules.

GENERAL ACADEMIC INFORMATION

Email: colindell@kcu.edu

Release of Academic Credentials

Diplomas and transcripts are withheld until all financial obligations to the University are satisfied. Students are responsible to know the status of their account at all times. Information is available from the Business Office.

University Withdrawal Refund Policy

Students who withdraw from the University are entitled to a proportionate tuition refund on their bill as listed below, provided they notify the Academic Office in writing of their intention to withdraw. A conversation with one of the area directors is also recommended before a withdrawal becomes complete and final. If a withdrawal then follows, the official date of withdrawal shall be that on which the Registrar received notice of the withdrawal. Merely ceasing from class attendance or giving an oral statement of intention does not constitute a basis for official withdrawal. No refund is made without proper notice to the Registrar's Office. However, ceasing attendance in a graduate program could constitute a student's unofficial withdrawal from school and, therefore, have an effect on the amount of federal Title IV financial aid funds the student has earned and the amount of federal Title IV financial aid funds returned to the Title IV program.

Official or Unofficial withdrawal from all classes will result in refund calculations based on the determination of the student's last date of attendance. An administrative fee not to exceed \$100 or 10% of institutional charges, whichever is less, will be assessed to students who withdraw from all classes.

Refunds for institutional charges include tuition, class-related fees, and board if applicable. Any other charges posted to a student's account are non-refundable.

See the Financial Aid section for the refund policy.

Graduation Requirements

Graduation requirements are listed with each degree described later in this Graduate catalog.

Academic Advising/ Course Scheduling

Although the area directors and the advisors are available to assist students in course planning it is ultimately the student's responsibility to ensure that all courses are scheduled and all course and program requirements are met satisfactorily. It is recommended that a student make contact, by phone or in person, with his or her advisor at least once in a semester to check on progress.

Registration for Courses

Course schedules are posted online for each graduate program. Registration dates are available online for each semester. Registration is complete when all information requested has been properly recorded and satisfactory financial arrangements have been made with the Business Office.

Full-time enrollment for graduate students is nine (9) credit hours in a term. Half-time enrollment status for graduate students is four (4) credit hours in a term.

Class Attendance

Regular and engaged class attendance is required for students to gain the greatest value from their educational experience. Therefore, students are expected to participate in all class sessions for which they are registered. Online courses at KCU are taught asynchronously, meaning there are no scheduled live meetings as there are in seated courses. When students are unable to participate, they are expected to communicate with the professor through KCU email. KCU believes that students are responsible for their attendance. However, for governmental purposes, faculty keep a record throughout the semester.

Absences, with permission to make up work are granted in the following cases: 1) Serious mental or physical illness (verified by the School Nurse); 2) athletic events/field trips or other university recognized events approved by the Vice President of Academic Affairs (a student must make prior alternate arrangements with the professors whose class(es) he/she will miss in order to make up work; 3) death of an immediate family member (mother, father, brother, sister, grandparent, spouse, child, or grandchild); 4) very unusual circumstances as deemed appropriate by faculty or approved by the Vice President of Academic Affairs. Students who miss tests/quizzes etc. because of an absence must make up the work at the time appointed by the professor without conflict to the student's normal class schedule.

Unexcused absences during the semester must not exceed one week of classes for any course. In an online course, this is constituted by not submitting assigned work during the week of class (for example, not completing a discussion board in an assigned week). Some academic departments may have classes that have stricter attendance requirements than the above stated policy. These requirements will be determined by the department and stated in the class syllabus.

When a student's unexcused absences exceed one week of classes for any course, he/she will automatically fail the course. Students who fail a class for absences due to extenuating circumstances will have 24 hours to contact their instructor by KCU email to seek reinstatement. A completed appeal must be submitted within seven days of being dropped from the class to be considered by the appeals committee.

Given the nature of the online learning environment, there is no tardy policy for online courses. Students either engage in the class activities or they do not.

Keeping a record of class attendance is ultimately the responsibility of the student; therefore, lack of notification does not alter the consequences of excessive absences nor does it constitute grounds for appeal.

Graduate/Undergraduate Credit

Graduate students interested in taking undergraduate courses for graduate credit or undergraduate students interested in taking graduate courses for undergraduate credit or dual credit should see the Registrar for the procedures to register for these courses.

Grading System

Kentucky Christian University follows the 4.0 grade point system and requires a 3.0 average for graduation.

Grade Interpretation

Evaluation and grading policies must include criteria for assigning grades, weights for particular assignments, and conditions related to the interpretation of grades.

Grade "A" is given for meeting with conspicuous excellence the demands which can fairly be made in relation to the requirements of the course. These demands would normally include unusual accuracy in face, completeness in detail, perfection in form of work, independence of method, grasp of subject as a whole, and constructive imagination.

Grade "B" is given for attaining satisfactory familiarity with the course content and for demonstrating at least some ability to use this knowledge in a satisfactory manner.

Grade "C" is marginal work involving minimal or inadequate achievement of course objectives.

GRADE	QUALITY POINTS
A	4.0
A-	3.6
B+	3.4
B	3.0
B-	2.6
C+	2.4
C	2.0
C-	1.6

The following designations are also used:

WD	Withdrew from school
WP	Withdrew with a passing grade
WF	Withdrew with a failing grade
WIP	Work in Progress
I	Incomplete*
R	Course retaken
P	Passing
S	Satisfactory
NC	Audit
BR	Academic Bankruptcy
XF	Failure for Absences

Incompletes

If for some serious reason a student is unable to complete course work before the final deadline or is unable to take the final examination, he/she may petition a professor for a grade of "I" (Incomplete). Written permission must be secured from the Program Coordinator to award an incomplete. Work designated as incomplete must be finished within six months from the date designated as the final due date for the courses in question. If the work is not completed, the incomplete becomes an "F" entry on the transcript.

A student who is finishing an incomplete will be allowed to take the next course in his or her sequence. However, a student may not register for any additional classes if he or she is in the process of resolving two outstanding incompletes. Once the student has finished at least one of the incompletes, he or she will be allowed to register for the next class in the program sequence.

Academic Probation

Students earning a cumulative grade point average below 2.6 will be placed on academic probation for the following semester and must earn a cumulative grade point average of 3.0 or above during the time they are on probation. A cumulative grade point average of 3.0 is required to graduate in all programs.

Student Progress

Student progress is reviewed at the end of each semester. Students who have failed to raise their cumulative GPA above the minimum 2.6 after having been on academic probation will be dismissed unless significant extenuating circumstances can be demonstrated. A student dismissed from a graduate program may, after one full semester, petition for readmission to the program's director, who will consider the request in consultation with the Graduate Admissions Committee. A 3.0 cumulative GPA is required for graduation.

Withdrawal from Course

Students may withdraw from a course with approval from the faculty member and area director. Such students must continue to attend class until proper notice is given to the Registrar's office and they receive official notification that the request has been approved.

The course from which a student withdraws will be graded with a "WP" (withdrew while passing) or a "WF" (withdrew while failing). Any student who stops attending class without submitting the proper paperwork within the official deadlines will receive an "XF."

Withdrawal will not be official nor will refund be given (see refund policy) until proper notice is given to the Registrar's office. It is recommended that students meet with their advisor prior to course withdrawal.

Withdrawal from the University

Students are considered "students on record" until they complete all withdrawal procedures. All pertinent school regulations are binding until withdrawal procedures have been completed or it is determined that a student has withdrawn by default.

Withdrawal will not be official nor will refund be given (see University Withdrawal Refund Policy above) until proper notice is given to the Registrar's office. Students who are withdrawn administratively are not entitled to refunds.

Upon withdrawal from the University, the student's academic record will show a "WD." Failure to complete the necessary withdrawal procedures results in a final grade of "XF" for all courses in which the student is currently enrolled. It is recommended that students meet with their advisor prior to University withdrawal.

Student Inactivity

If a student takes no classes for a three-year period, he/she will be dropped from the program. He/she must then re-apply to achieve readmission in order to continue to pursue the degree. He/she may be required to take an additional six hours of classes.

Independent Studies

The Graduate School academic policy allows a maximum of six credits by Independent Study if the student can demonstrate a need for this provision. Independent Study guidelines are:

1. Timely Registration: Independent study must be officially registered before studies begin.
2. Documentation Requirements: Three documents are required at the time of registration:
 - The Independent Study Request form must be completed along with authorizing signatures for each independent study, and
 - Documentation of Independent Study objectives and requirements (i.e., syllabus) approved by the cooperating Graduate School professor, and
 - Normal registration procedures.
3. Categories of Independent Study:
 - Increasing the credit value of a course in the published schedules for a given semester. For example, the student may demonstrate a need to earn 4 credits for a particular course which is normally scheduled for 3 credits.
 - Registering for a course not listed in the published schedule for a given session. This category of Independent Study is registered for the normal credit value.

Student Education Records

Kentucky Christian University complies with the Family Educational Rights and Privacy Act of 1974 (FERPA). The purpose of this Act is to protect the privacy of student education records, to ensure each student's right to inspect his or her personal student records, and to ensure procedures are established whereby incorrect records may be changed.

Specific questions regarding University policies should be addressed to the University Registrar. Information regarding FERPA and details of University records protected by FERPA can also be obtained from the Registrar.

Each student's academic records are maintained in the Registrar's Office. Academic records include GRE scores, college transcripts from all institutions attended, KCU academic records, application to the University, recommendations, correspondence, and other admissions documents.

Inspection and Review of Education Records

Kentucky Christian University allows past and present students to inspect and review their education records by appointment. Students wishing to inspect their education records must submit a written request to the Registrar's Office. An appointment will be set up for the review within a reasonable time (30 days). If requested, copies of allowable documents are made at the student's expense.

Any correspondence or recommendations for students who have waived their review rights will not be available for student review.

Release of Student Information

The University considers some information to be "directory information" which may be disclosed without student permission. This includes items such as name, address, program of study, previous institutions attended, date and place of birth, honors, and degree(s) received. However, if a student does not want this information released, he or she must fill out a form to request the withholding of directory information. This form must be filled out each year by August 1st in order for the University to withhold this information.

Personally identifiable information from the student's educational record other than directory information will not be disclosed to any third party without the student's written consent.

Program and Graduation Requirements

The Graduate Bible program of the School of Bible and Ministry exists to assist in the formation of Christian leaders who embody the intersection of the three dimensions of the Christian life: the upward, the inward, and the outward.

- The upward dimension focuses on one's relationship with God and demonstrates an understanding of education as worship. Recalling that Christians are challenged to worship God with their minds, the Graduate Bible program fosters an environment where learning is a sacred endeavor, where questions and answers are offered in recognition of God's presence, and where the ultimate goal of learning is to draw faculty and students into a closer relationship with the Source of all knowledge.
- The inward dimension focuses on one's relationship with self and demonstrates an understanding of education as personal development. Graduate students will be encouraged to broaden their minds and sharpen their gifts. They will learn with others who deliberately engage the new and critically examine the old, so that each student can be a better steward of his or her individual gifts.
- The outward dimension focuses on one's relationship with the Church and the world, and demonstrates an understanding of education as equipping for service. The Graduate Bible program experience will equip students to serve Christ's Church more effectively, and will inform and direct Christian mission throughout the world.

Through membership in the broader community of the Keeran School of Bible and Ministry, graduate students will be stretched and challenged to appreciate the diversity of Christ's body and their need to locate their personal role of service.

The Graduate Bible program intends that students participate as disciples, whose desire is to learn of Christ and to model his teachings. It is also intended that, as disciples, all members of the Graduate Bible program will practice Christian submission to Christ, to the teachings of scripture, and to the wider Christian community. Thus, students learn and live in Christian fellowship under the Lordship of Christ.

Course work in the Graduate Bible program is delivered in a completely online format.

Program Learning Outcomes

- Demonstrate advanced practice of Christian thinking and practice.
- Demonstrate advanced competency in the five identified standards of professional development for Christian leadership: theological leadership; communicative leadership; pastoral leadership; administrative leadership; cultural leadership.
- Construct a significant research project, based on the student's specific program of study, to demonstrate academic mastery and integration of content and practice.
