WHY READ COMIC BOOKS?

Have you read any comic books lately or do you think they are just for ‘little’ kids? Comic books are not only fun to read, but they cause you to read both text and images simultaneously. This means that they stimulate your brain and enhance your critical thinking skills! They are also about many different types of topics including superheroes, crime detectives, war, and romance.

The [Digital Comic Museum](#) focuses on preserving comic books in the public domain from the golden age of comics. The golden age of comics was from 1938-1956. They are also free to read by using the Preview button on the site or signing up for a free account and downloading individual issues. We have put a few suggestions at the bottom of this article. Click on the cover to read an issue, then click on “Preview” to read immediately. Remember, comic books count for our [Summer Reading Challenge](#)!

LIBRARY TECHNOLOGY HELPFUL HINTS

Using Open Library

Open Library is a free online library. You can use it to check out ebooks or locate print books in your area. Many of these titles are more current. All you have to do is sign up for a free library card! The link to the form is available at <https://openlibrary.org/account/create>. If you need assistance setting up your account, just contact the library and we will send you step-by-step directions. Happy reading!

Summer Reading Challenge Update

We are doing great! We have read a total of 46 books as of May 29th, & have 10 participants-7 faculty/staff, 2 alumni, & 1 student. If you are a student, send us your titles!

NATIONAL PEN PAL DAY

June 1st is National Pen Pal day! While most of us send texts & emails, it is nice to receive handwritten notes. Why not take a moment this month & send a note by snail mail to a friend, a relative, a neighbor, or someone in a nearby nursing home!

HOLIDAYS/EVENTS

June 1 - National Pen Pal Day
June 14 - Flag Day
June 19 - Juneteenth
June 21 - Father's Day
