Dive Into Our Summer Reading Challenge!

Our [Summer Reading Challenge](#) is making waves across KCU's community! We have read almost 200 books since May 4th! In Kentucky, this summer has been a HOT one, hopefully the intense weather has been the perfect opportunity to enjoy some books from your "To Be Read" List. Whether you have read 5 books or no books at all (yet!), it's never too late to seek out stories that resonate with you! If reading was not part of your "Summer Bingo Card," we encourage you to reflect on your passions and interests, what drives you, what speaks to you, what makes you feel alive? Whatever those answers may be, we know there are stories out there, waiting for you to discover! All it takes is a little searching! Need someplace to start? Click on the book covers below to start your voyage!

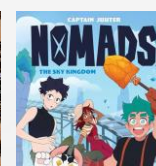

LIBRARY TECHNOLOGY HELPFUL HINTS:

"TickTick" This Off Your List This Fall!

Summer is coming to a close and the semester is on the horizon! What better way to finish out summer break than to invest in some healthy habits and start some helpful rhythms for the Fall? Download the app [TickTick](#) onto your phone and explore the various different features that will be at your fingertips! You can compile separate to-do lists to tackle and visualize your class schedule on the calendar tool. Stay motivated and productive by practicing specific work-rest intervals and build a foundation of enriching habits for your next school year! Prayers and blessings on your next chapter!
