2027-2028 Verification Worksheet (Independent Student)

Your 2027-2028 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The U.S. Department of Education requires KCU to verify the data you reported on the FAFSA. That means a Financial Aid Administrator will compare your FAFSA information with the information you provide on this worksheet and any other required documents. If there are differences, the Financial Aid Administrator will correct your FAFSA information.

To begin this verification process, you must complete and sign this Verification Worksheet, provide any other required documents, and submit them to the KCU Financial Aid Office as quickly as possible. **Processing your financial aid application is paused until verification is complete.** If you have any questions, please contact the KCU Financial Aid Office at 606-474-3226 finaid@kcu.edu.
