As Winter Break approaches, we encourage all of you to reflect on your past few months at KCU. Take a few moments to think about or write down things or people that you are thankful for. To give you some inspiration, we as a Library Staff have included a few things that we are grateful for and a book that we are thankful for! We hope that we can encourage you all to enter into a season of gratitude, and get some "good reads" for the holidays!! Have a Happy Thanksgiving!

Naulayne: **3 Things I Am Thankful For:** My family, a job that I love, and my Kindle reader so that I can carry thousands of books to read but not have to lift the physical books. **Book I Am Thankful For:** *Julia's Hope*, by Leisha Kelly because it reminds me that God watches over us and creates miracles all of the time.

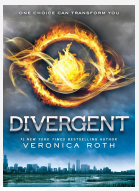

Ally: **3 Things I Am Thankful For:** Sabbaths with my husband, loving reading again, and discovering anime!! **Book I Am Thankful For:** *Catching Fire*, by Suzanne Collins because it made me feel like a kid again!

Maddie: **3 Things I Am Thankful For:** Technology so that I can contact friends & family that live far away, my husband, and the friendships that we have built here at KCU.

Book Series That I Am Thankful For: The Divergent series that got me excited to read more.

Helpful Technology Hints: Scripture Searches!

Looking for resources for your end-of-semester papers or assignments for your Bible classes? Use the "Scripture Search" feature to more quickly and efficiently find what you need! To access this tool, go to our main Databases page! Click the blue "Bible & Ministry" tab on the left and select ATLASerials. Click on "Subjects," then switch "Atla -- Subject Thesa…" to "Atla Scripture Search" to access a complete list of the books of the Bible! To set up your search, click the checkbox next to a book, or (if needed) hit the blue "+" icon and you can select chapters and/or verses. Simply click the checkboxes you need and then plug in your search terms in the search boxes! Come see a Librarian for help/more information! Happy Searching!
